Ely Rock & Gem Swap, Buy, Sell, Trade, Browse  
June 25 and 26, 2021 10:00 a.m. to 4:00 p.m.

## GENERAL INFORMATION

Welcome to the second annual White Pine Public Museum Rock and Gem Show, providing opportunities for visitors to buy, sell, swap, browse or bring in rock hound samples for identification. We invite anyone fascinated with rocks and minerals to attend this feast of geology. In addition to swap items, the Museum itself has several collections of rocks, fossils, historic mining photos, maps, and interpretive data for viewing.

All participants are strongly encouraged to follow current Covid-19 protocols. Masks are required inside the Museum building. Restrooms are available in the Museum building as is outside power and water. Refreshments will be available.

Due to **construction**, the outdoor exhibit area we used last year will not be available. This year we will use available space around the Museum building. The lawn area west of the building is accessible by two pedestrian gates along Aultman Street. The graveled mining equipment area east of the building will have limited vehicle access. Hence display space and access will be limited. Curbside parking will be limited to Aultman Street as Ogden Ave will be closed.

Museum grounds are fenced and locked after hours.

### Fees:

General admission to the Museum and Swap: \$7 per person

Vendor set-up space (includes Museum fee): \$10 per day
